Re: *Rona, et al. v. Trump, et al.*, No. 25-cv-3114 (JMF)

Dear Judge Furman:

This firm, along with the Open Society Justice Initiative, represents Plaintiffs in the above-referenced matter.

We write on behalf of all parties with respect to the due date for the parties to propose an agreed upon judgment (ECF No. 70 at 23), which the Court has extended until noon on August 15, 2025 (ECF No. 74).

As the parties previously reported, they are engaged in productive discussions and have exchanged drafts of the proposed judgment. The most recent draft was transmitted by Plaintiffs to Defendants on Monday, August 11. Defendants have not yet been in a position to respond. The parties are hopeful that they will be able to conclude their discussions by the existing deadline and will continue to work to that end. However, out of an abundance of caution, the parties seek this extension until noon on August 19 to allow sufficient time to conclude their discussions.

This is the third request for such an extension; the first two were granted. There are no scheduled appearances before the Court or other existing deadlines.

Respectfully submitted,

/s/ Andrew B. Loewenstein
